

Engineering Services (Bridgend) Ltd

As a service member of the

British Metals Recycling Association 2024

this company is committed to:

- ☉ Complying with all UK laws, and fully endorsing the prohibition on any form of cash payments that contravene them.
- ☉ Maintaining high standards of commercial conduct and business ethics with other members, customers and suppliers.
- ☉ Representing the common interests of the metals recycling industry.
- ☉ Providing high quality services and benefits for companies in the sector.

President: Susie Burrage OBE

A handwritten signature in black ink, appearing to read 'S/Burrage', with a horizontal line underneath the name.
